

USB-SI-C

USB - IDE/SATA Storage Converter Kit

Introduction

Dynamode is pleased to offer a new member of the successful Mass Storage Converter family of products.

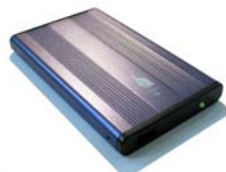

The **USB-SI-C** is a fully featured external Mass Storage Converter kit which allows direct USB connection to both popular IDE and SATA interface connectors used on Hard Disks, DVD/CDs and other Mass Storage devices – all with the convenience of total Plug n Play.

Perfect for both End Users and IT Administrators, the **USB-SI-C** allows easy archiving, Disk Imaging or Operating System upgrade at a fraction of the cost when compared with dedicated Backup systems and allows a user to use there existing Mass Storage devices without the need for further investment when upgrading systems.

With support for 2.5", 3.5" & 5.25" devices the **USB-SI-C** enjoys Microsoft® Windows, MAC 9.2/X® and Linux® Plug n Play compliance.
